INFORMATION

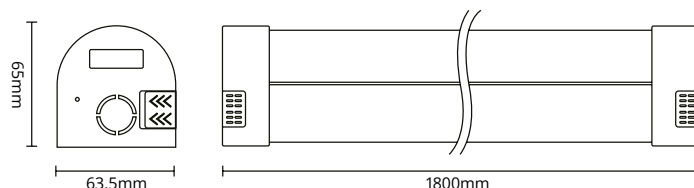

Slimline unit with easy to install push-fit (loop-in/loop-out) terminal block. LED batten is built for reliable performance and simplicity with an easy access hinged bracket. Combines energy efficiency with powerful performance and is ideal for commercial and industrial settings. With 4 different Watts, the batten offers the flexibility to adjust the brightness to best fill the environment. Choose from 3 different colour temperatures; Warm White, Cool White and Daylight options to create the desired mood lighting for the location. Built with a Polycarbonate UV stabilised diffuser and Steel body with powder coated finish. Plug 'n' Play convenience for seamless upgrades or enhancements.

Warranty: 5 Years

Lifespan: 50,000hrs
